**GMDN code:** 64290

**Intended purpose:** Relaxes muscle spasms, strain and pain  
Helps treat degenerative disc disease, spinal stenosis, sciatica and spondylolysis  
Treatment for bulging and herniated discs. Helps eliminate lower back pain and radiating pain in the hips, thighs, legs and/or feet. Bulging and herniated discs are reduced by elongating the intervertebral space in the lumbar spine  
Assists individuals with strenuous jobs requiring heavy lifting or long hours of driving  
Helps maintain proper posture. Improper posture places the upper body weight directly on the discs and causes back pain
